This proposal does not ensure that the number of electors in each electorate is not greater than 110% or less than 90% of the current quota and that the number of electors in each electorate at the time of the next election will not be greater than 105% or less than 95% of the projected quota.

Comment: In my view, it would be preferable for ACT electorate boundaries to align with the boundaries of Canberra districts, or groups of districts, that are broadly of equal size, namely: - Inner Canberra - Woden, Weston Creek, Molonglo - Belconnen - Tuggeranong - Gungahlin This would better reflect the community of interests within each electorate, including economic, social and regional interests. However, recognising the limitations imposed by the current legislation, the aim of this submission was to identify electorate boundaries that minimise the bifurcation of Canberra's towns and districts, whilst complying with the current and projected quota requirements. PLEASE NOTE: I am proposing that the southern portion of Tuggeranong District 1 and Kambah West, (equivalent to approximately 6% of a quota) be incorporated in the Brindabella electorate, however the mapping tool does not allow that level of granularity. As the demographics of Canberra's towns change in the future, it may be possible for all of Kambah to be incorporated into Brindabella electorate, and Giralang/Kaleen to be incorporated into the Ginninderra electorate.
