Re: Proposed ACT Legislative Assembly Electoral Boundaries Redistribution

I refer the Committee to our original submission, in which we stated that we **would not support the fragmentation of Community Council areas as part of the redistribution process.**

At the Community Councils Forum meeting of 14 March 2000, the Community Councils **opposed any proposal to split Council areas for the purposes of the electoral redistribution.** Accordingly, the proposal to split Nicholls from Molonglo and add it to Ginninderra, is not supported by North Canberra Community Council. To use the Committee's own terms, such a move divides the community of interests that exist between the suburbs of Gungahlin.
